Adena was awesome! She did an excellent job of picking a diverse list of interesting readings, facilitating great class discussions, and helping us through the process of completing the sophomore essay. As stated before, I never received so much feedback on my writing before and it was all very helpful and constructive.

Adena was a phenomenal teacher- she gave assignments back really quickly and with really thorough commenting- I felt the essay was a partnership project and not that she was just giving me a great. She picked greta articles and facilitated lively and thought provoking discussion

Basically couldn't have been better. Only annoyance was that she never graded some of the discussion comments or the revision of the first assignment.

Adena is truly a brilliant teacher. I loved being with her in the classroom and I loved meeting with her outside of class. I never say this about instructors, but I really hope to continue a relationship with her over these coming years. I could not have been happier about having her as an instructor.
